

Linta Khan

03325652632 | lintakhan789@gmail.com | Rawalpindi, Pakistan

Summary

As a Full Stack Developer with 2 years of experience. I excel in both front-end and back-end technologies, proficient in frameworks like **React js**, **Next js**, **Node js** and **Express js**. With focus on delivering end-to-end solutions. I bring efficiency and precision to web application development. My Skills encompass intuitive user interface design, server-side application optimization and effective database management, including **MongoDB**. Commitment to staying updated on emerging technologies. I am driven to produce high-quality, user-centric solutions that exceed client expectations.
